Paddle an urban river with Friends of Milwaukee's Rivers

Saturday, July 26, 2008

10:00am-3:30pm

Limited spots available- register now!

Enjoy a unique perspective by paddling the Milwaukee River with Friends of Milwaukee's Rivers. We'll be putting in at Lincoln Park, traveling through downtown Milwaukee on a three to four hour tour, and ending at Rock Bottom for a frosty beer. There will be interpretive stops along the way describing the impact urban development can have on our rivers, and highlighting some of the positive aspects of the area.

Light snacks and shuttle provided. Kayaks welcome. We are out of canoe rentals, but additional canoe and kayak rentals available locally from Laacke and Joys (414-271-7878) and R.E.I. (262-783-6150).

Registration deadline is July 22nd!

** Participants must drop their boats at the starting point, then drop their cars at the end point. A shuttle will be provided to take people from their cars to the start of the paddle. Details will be included in your confirmation packet.**
